# STATE OF UTAH DIVISION OF OCCUPATIONAL AND PROFESSIONAL LICENSING

## APPLICATION FOR LICENSURE

## GENETIC COUNSELOR

### APPLICATION INSTRUCTIONS AND INFORMATION

General Statement: The Utah Division of Occupational and Professional Licensing (DOPL) desires to provide courteous and timely service to all applicants for licensure. To facilitate the application process, submit a complete application form including all applicable supporting documents and fees. Failure to submit a complete application and supply all necessary information will delay processing and may result in denial of licensure. The fees are for processing your application and will not be refunded. Please read all instructions carefully.

**Address of Record:** The address you provide on this application will be your address of record. All correspondence from DOPL will be sent to that address. You are responsible to directly notify DOPL of any change to your address of record. Do not rely on a forwarding order.

**Social Security Number:** Your social security number is classified as a private record under the Utah Government Records Access and Management Act. It is used by DOPL as an individual identifier. It is also used for child support enforcement pursuant to Subsection 78-32-17(3) and is mandatory pursuant to Subsection 58-1-301(1), Utah Code Ann., which implements 42 U.S.C. 666(a)(13). If an SSN is not provided, the application is incomplete and may be denied.

### SUPPORTING DOCUMENTS AND FEES:

1. Submit official transcripts documenting a master's degree from a program accredited by the American Board of Genetic Counseling.

### OR

Submit official transcripts documenting a doctoral degree from a medical genetics training program accredited by the American Board of Medical Genetics.

Have the school mail these official transcripts to you to be included with your application.

2. Submit official documentation of national certification from the American Board of Genetic Counseling or the American Board of Medical Genetics. If you are applying for a temporary license, submit official documentation of "Active Candidate Status."

- 3. <u>If you are applying by endorsement</u> (*currently licensed in another state*), use the "Request for Verification of License" form (*attached to this application*) to obtain verification of licensure from a state in which you are currently licensed as a genetic counselor.
  - Request that the verifying state complete the form and mail or fax it directly to DOPL or return it to you for submission with your application.
- 4. Submit a \$150.00 non-refundable application-processing fee, made payable to "DOPL."
- 5. <u>If you are applying for a temporary license</u>, submit the following:
  - completed "Application for License"
  - Genetic Counselor Temporary License Request" form (attached to this application)
  - □ \$150.00 non-refundable application processing fee for a genetic counselor license
  - □ \$50.00 non-refundable temporary license fee

**NOTE:** The verified information contained in the Application for Licensure will be the basis upon which a decision is made to issue the temporary license.

### ADDITIONAL IMPORTANT INFORMATION:

- 1. **Laws and Rules:** You are required to understand all Utah laws and rules pertaining to your practice as a genetic counselor. The following applicable laws and rules are available on the Internet at <a href="https://www.dopl.utah.gov">www.dopl.utah.gov</a>:
  - □ Division of Occupational & Professional Licensing Act
  - ☐ General Rules of the Division of Occupational & Professional Licensing
  - □ Genetic Counselor Licensing Act
  - □ Genetic Counselor Licensing Act Rules
- 2. **Current Documents:** Applications, statutes, rules, and forms are occasionally changed. Go to <a href="https://www.dopl.utah.gov">www.dopl.utah.gov</a> to ensure you have the most recent version of these documents.
- 3. **Temporary Licenses:** The normal application processing time is approximately 15 working days from the date DOPL receives your complete application and the Genetic Counselor Temporary License Request.

You may not practice as a genetic counselor until the temporary license is issued. Therefore, do not make commitments to a potential employer to commence work prior to the time DOPL requires to process your temporary license. Once you have received your certification examination results, you must forward a copy to DOPL to complete the application process.

4. **License Renewal:** All Genetic Counselor licenses expire September 30 of every evennumbered year.

Unlike many other states, Utah's license renewal schedule **is not** based on the licensee's date of initial licensure. Under Utah's renewal system, all licenses in each profession expire as a group on the same day every two years. Therefore, the length of a licensee's first renewal cycle depends on how far into the current renewal cycle initial licensure was obtained. Each renewal cycle thereafter is for a full two years.

Additionally, the fee paid with this application for licensure is an application-processing fee only. It does not include a renewal fee. Each licensee is responsible to renew licensure **PRIOR** to the expiration date shown on the current license. Approximately two months prior to the expiration date shown on the license, renewal information is disseminated to each licensee's last address of record, as provided to DOPL.

- 5. **Name Change:** If you have been licensed by DOPL under any other name, please submit documentation of your name change (i.e. copy of a marriage license or divorce decree).
- 6. **Updating Address Information:** It is your responsibility to maintain a current address with DOPL. If your address is incorrect, you will not receive renewal notices or other correspondence. Address changes can be made online at <a href="www.dopl.utah.gov">www.dopl.utah.gov</a>.
- 7. **Ceremonial Certificate of Licensure:** After obtaining your license from DOPL, you can order a Ceremonial Certificate of Licensure, printed on parchment paper with original signatures and an embossed gold seal. Order forms can be obtained at <a href="www.dopl.utah.gov">www.dopl.utah.gov</a>.
